

Dr. Eric Jackman Institute of Child Study
UNIVERSITY OF TORONTO

Teacher: Core French in Primary Grades (part time)

One year term position or secondment opportunity with possibility of renewal

Starting date: September 2017

Established in 1925, the Dr. Eric Jackman Institute of Child Study Laboratory School at the Ontario Institute for Studies in Education (OISE), University of Toronto is the oldest Laboratory School in Canada. The Laboratory School serves children from Nursery to Grade 6. It has a threefold mandate: exemplary education for the 200 children who attend the school, graduate teacher education, and research, all these in an intentionally diverse environment. The School makes a noted contribution to the understanding of strong educational practices in elementary schools in Canada and around the world.

The successful candidate will teach a part time Core French Program in the primary division and will contribute to the teacher education and research work of the Lab School.

Jackman ICS teachers create a secure learning environment for their students, one that inspires exploration, creativity, curiosity, and confidence to flourish. The school honours diversity and values a deeply interconnected community, in which all members feel known, respected, and supported as active participants. Teachers work part of a collaborative team of educators.

Key Responsibilities include:

- Developing an engaging learning environment to foster student growth
- Teaching an enriched French language curriculum to support success for all learners
- Reporting achievement
- Supporting families
- Contributing to research initiatives
- Serving as an active member of a collaborative school staff

We seek applicants with the following professional qualifications and experience:

- Ontario College of Teachers Certification (Primary/Junior) preferred
- Demonstrated record of successful teaching experiences in Core French
- Demonstrated experience with AIM “gestures approach” language learning
- Fluency in French
- Minimum of two years teaching experience
- Completed Additional Qualification in French; Special Ed AQ/ECE will be an asset

Salary will be commensurate with qualifications and experience.

Qualified applicants are asked to submit a complete application, including CV, application letter, and two letters of reference by **12:00pm on Monday, April 24, 2017** to:

Richard Messina, Principal
Dr. Eric Jackman Institute of Child Study Laboratory School
Ontario Institute for Studies in Education | University of Toronto
